

Illuminate a letter

Add your personal touch to a letter

Books of Hours highlight important information in different ways. Elaborate capital letters mark the beginning of a new paragraph or section of the book.

These decorative letters were designed by the illustrator, then colored, or illuminated, using ink and paint created from natural materials.

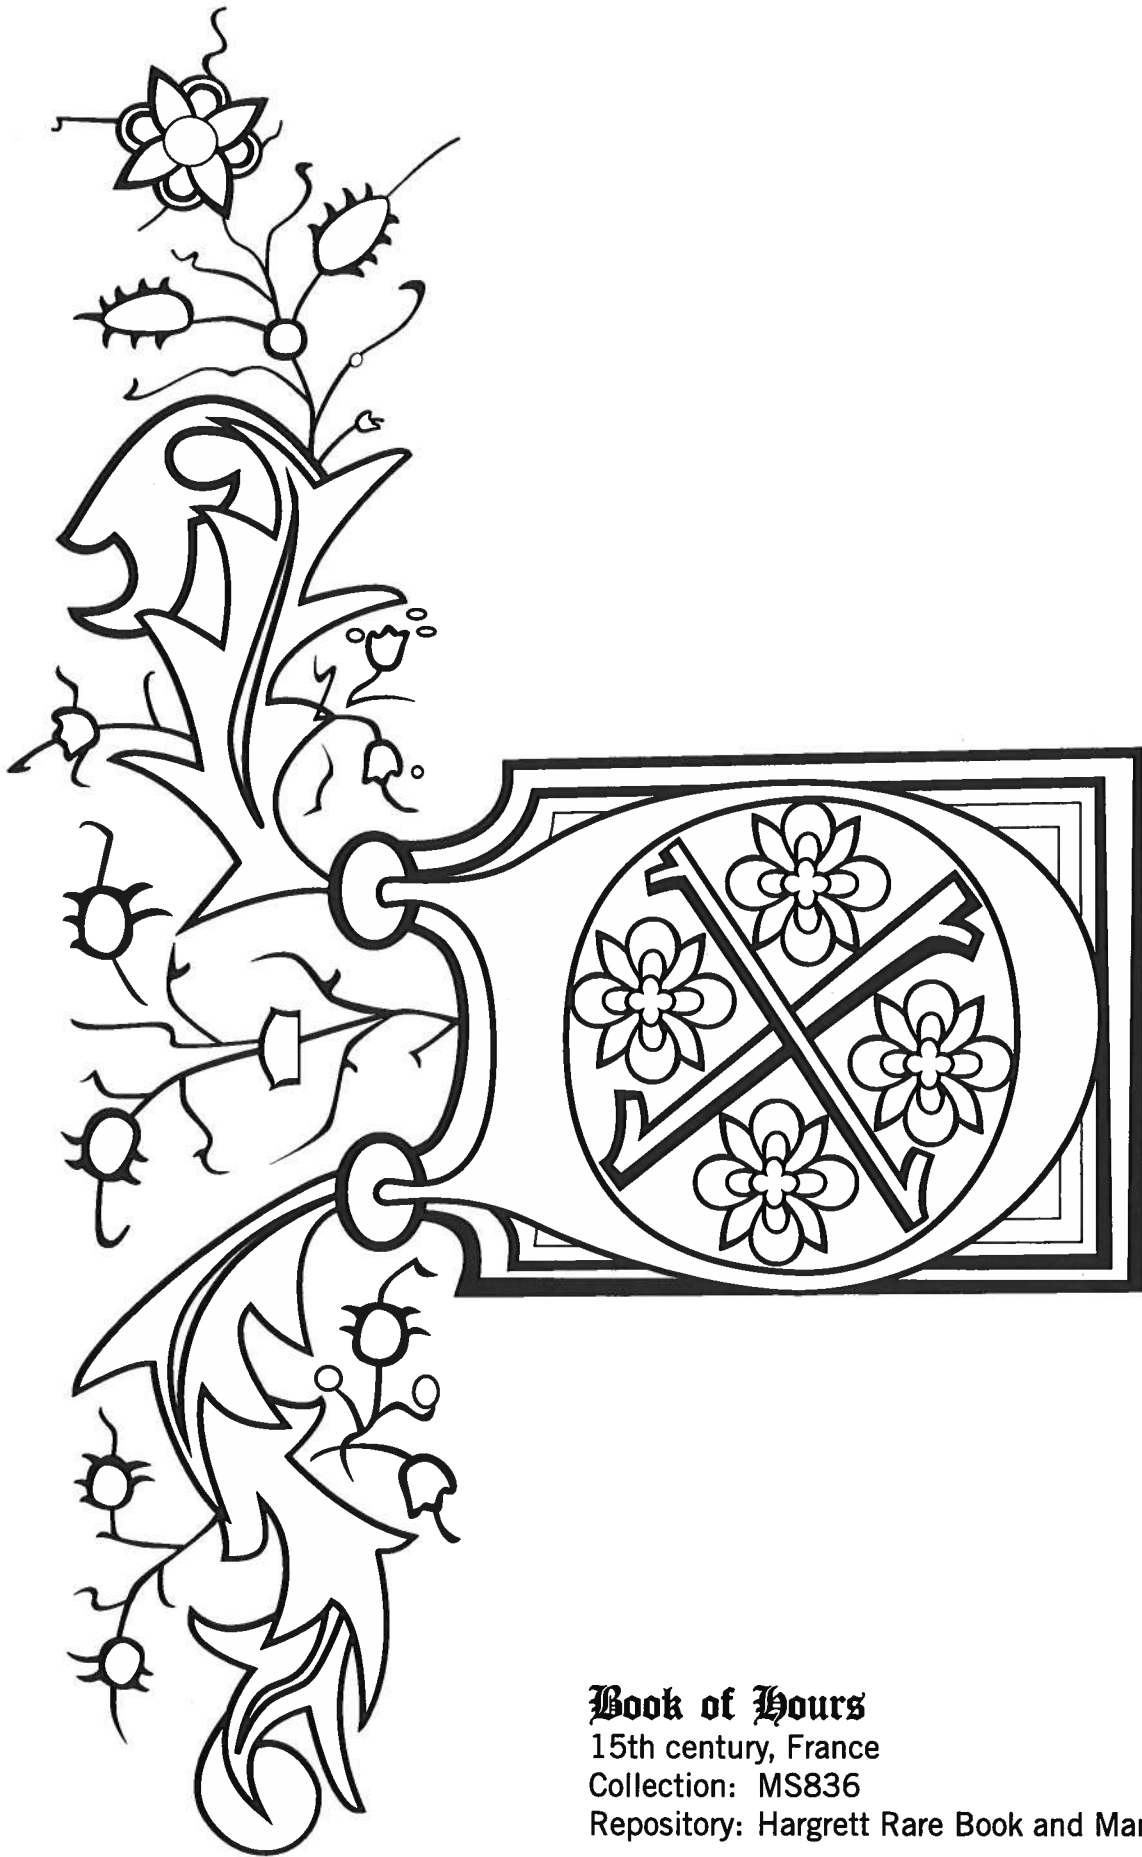

Get creative and decorate a letter of your own!

Use lots of color and other bright materials you can find.

For extra creativity find natural materials you can use to add color to your page!
